Introduction

- [1] This penalty decision arises out of the Board’s substantive decision in which it found that the Respondent had conducted himself or herself in a manner that brings, or is likely to bring, the regime under this Act for licensed building practitioners into disrepute (s 317(1)(i) of the Act).
- [2] Having found that one or more of the grounds in section 317 applies the Board must, under section 318 of the Actⁱ, consider the appropriate disciplinary penalty, whether the Respondent should be ordered to pay any costs and whether the decision should be published.
- [3] In its substantive decision the Board set out its indicative position as regards penalty, costs and publication and invited the Respondent to make written submissions on those matters.
- [4] On 9 November 2018, the Board received the Respondent’s submissions.
- [5] The Respondent accepted the Board’s indicative penalty but requested that he not be named on the Register. The Board had indicated that it will publish an article but that it would not name the Respondent. Publication on the Register is a different matter.
- [6] Publication on the Register is required under section 301(1)(l)(iii) of the Act. The Register is established by section 298 of the Act and section 299 sets out its purposes which are:
- The purpose of the register is—*
- (a) *to enable members of the public to—*
- (i) *determine whether a person is a licensed building practitioner and, if so, the status and relevant history of the person's [licensing]; and*
- (ii) *choose a suitable building practitioner from a list of licensed building practitioners; and*
- (iii) *know how to contact the building practitioner; and*
- (iv) *know which licensed building practitioners have been disciplined within the last 3 years; and*
- (b) *to facilitate the administrative, disciplinary, and other functions of the Board and the Registrar under this Act.*
- [7] Section 301 sets out the matters to be contained in the Register. The section uses the phrasing “must” which makes the provisions mandatory, not discretionary:

(1) *The register must contain all of the following information, to the extent that the information is relevant, for each licensed building practitioner whose name is entered in the register:*

(l) *information about the status and history of the person's [licensing], particularly—*

(i) *the class [in which the person is licensed]; and*

(ii) *the date on which the person's name was entered in the register; and*

(iii) *any action taken under section 318 on a disciplinary matter in respect of the person in the last 3 years:*

[8] The final provision, action taken under section 318, is the reason why detail on the disciplinary offence must be contained in the Register.

[9] Taking the above provisions into consideration it is clear that one of the purposes of the Register is to allow informed consumer and providing information as regards disciplinary action helps to facilitate this. It is also clear that the Board has no discretion as regards information on disciplinary action being retained on the Register.

[10] It should be noted that the detail on the Register is only disclosed when a specific search of the licensed building practitioner's name is made.

Section 318 Order

[11] For the reasons set out above, the Board directs that:

Penalty: Pursuant to section 318(1)(f) of the Building Act 2004, the Respondent is ordered to pay a fine of \$4,500.

Costs: Pursuant to section 318(4) of the Act, the Respondent is ordered to pay costs of \$1,500 (GST included) towards the costs of, and incidental to, the inquiry of the Board.

Publication: The Registrar shall record the Board's action in the Register of Licensed Building Practitioners in accordance with section 301(1)(iii) of the Act.

In terms of section 318(5) of the Act, there will not be action taken to publicly notify the Board's action, except for the note in the Register and the Respondent being named in this decision.

[12] The Respondent should note that the Board may, under section 319 of the Act, suspend or cancel a licensed building practitioner's licence if fines or costs imposed as a result of disciplinary action are not paid.

Right of Appeal

[13] The right to appeal Board decisions is provided for in s 330(2) of the Actⁱⁱ.
