

What do I need to show to get my Site licence in AoP 3?

If you manage some or all of the construction or alteration of Category 1, 2 and 3 buildings, then the Site licence in area of practice 3 is for you.

A Site LBP is recognised as a competent professional in their chosen field and receives the benefits this brings. Site LBPs however do not issue restricted building work memoranda and are not able to supervise restricted building work.

Your assessor will look for broad evidence of your competence. It is not a tick the box exercise - they want to see whether, overall, you can demonstrate the practical experience, qualifications, skills and knowledge needed.
