## Summary of the Board’s Penalty Decision

- [1] The penalty costs and publication orders are confirmed. The Respondent is censured and he is ordered to pay costs of \$3,500.

## The Charges

- [2] This penalty decision arises out of the Board’s substantive decision in which it found that the Respondent had committed the following disciplinary offence(s):
- (a) carried out or supervised building work or building inspection work in a negligent manner (s 317(1)(b) of the Act); and
  - (b) carried out or supervised building work or building inspection work that does not comply with a building consent (s 317(1)(d) of the Act).
- [3] Having found that one or more of the grounds in section 317 applies the Board must, under section 318 of the Act<sup>i</sup>, consider the appropriate disciplinary penalty, whether the Respondent should be ordered to pay any costs and whether the decision should be published.
- [4] In its substantive decision, the Board set out its indicative position as regards penalty, costs and publication and invited the Respondent to make written submissions on those matters.
- [5] On 11 April 2021, the Board received the Respondent’s submissions. It has considered them and made the following decisions.
- [6] The Respondent’s submissions did not address matters of penalty costs or publication. Rather, they were a critique of the Board’s decision. In this respect the Respondent should note that, if he does not agree with the Board’s decision, he has a right of appeal to the District Court.

## Penalty

- [7] The Board’s initial view was that the Respondent should be censured. A censure is a public statement of disapproval. It is a penalty which is at the lower end of the available penalties.
- [8] As noted the submissions made did not cover mitigation. The Board has, nevertheless reviewed those submissions to assess whether they contained any factors which had not already been taken into account when determining an

indicative penalty. They do not. As such, the Board has decided to uphold the imposition of a censure.

#### **Costs**

[9] The Board's initial view was that \$3,500 in costs was appropriate. Again, the respondent has not addressed the level of costs. They are confirmed.

#### **Publication of Name**

[10] The Board's initial view was there were no good reasons to further publish the matter. This remains the case.

#### **Section 318 Order**

[11] For the reasons set out above, the Board directs that:

**Penalty:** Pursuant to section 318(1)(d) of the Building Act 2004, the Respondent is censured.

**Costs:** Pursuant to section 318(4) of the Act, the Respondent is ordered to pay costs of \$3,500 (GST included) towards the costs of, and incidental to, the inquiry of the Board.

**Publication:** The Registrar shall record the Board's action in the Register of Licensed Building Practitioners in accordance with section 301(l)(iii) of the Act.

**In terms of section 318(5) of the Act, there will not be action taken to publicly notify the Board's action, except for the note in the Register and the Respondent being named in this decision.**

[12] The Respondent should note that the Board may, under section 319 of the Act, suspend or cancel a licensed building practitioner's licence if fines or costs imposed as a result of disciplinary action are not paid.

#### **Right of Appeal**

[13] The right to appeal Board decisions is provided for in s 330(2) of the Act<sup>i</sup>.
