Introduction

- [1] This penalty decision arises out of the Board’s substantive decision in which it found that the Respondent had committed the following disciplinary offence(s):
- (a) carried out or supervised building work or building inspection work in a negligent or incompetent manner (s 317(1)(b) of the Act); and
 - (b) has failed, without good reason, in respect of a building consent that relates to restricted building work that he or she is to carry out (other than as an owner-builder) or supervise, or has carried out (other than as an owner-builder) or supervised, (as the case may be), to provide the persons specified in section 88(2) with a record of work, on completion of the restricted building work, in accordance with section 88(1) (s 317(1)(da)(ii) of the Act).
- [2] Having found that one or more of the grounds in section 317 applies the Board must, under section 318 of the Actⁱ, consider the appropriate disciplinary penalty, whether the Respondent should be ordered to pay any costs and whether the decision should be published.
- [3] In its substantive decision the Board set out its indicative position as regards penalty, costs and publication and invited the Respondent to make written submissions on those matters.
- [4] On 9 August 2018, the Board received the Respondent’s submissions. It has considered them and made the following decisions.
- [5] The respondent pointed out that he had not had previous experience with [Omitted] nor had contacted them in respect of this job. An amended decision taking this into account has been issued. The Board apologises for this error.
- [6] All the other issues submitted would need to be taken up by the respondent as part of an appeal to the District court.

Penalty

- [7] The Board’s initial view was that \$2500 was the appropriate penalty for the disciplinary offence.
- [8] Having considered the submissions received the Board has decided to modify its initial view and reduce the penalty to \$2000.

Costs

- [9] The Board’s initial view was that \$1500 were appropriate.
- [10] Having considered the submissions received the Board has decided to uphold its initial view.

Publication of Name

- [11] The Board’s initial view was there were not good reasons to further publish the matter.
- [12] Having considered the submissions received the Board has decided to uphold its initial view.
