Introduction

- [1] This penalty decision arises out of the Board’s substantive decision in which it found that the Respondent had committed the following disciplinary offence(s):
- (a) carried out or supervised building work or building inspection work in a negligent or incompetent manner (s 317(1)(b) of the Act); and
 - (b) carried out or supervised building work or building inspection work that does not comply with a building consent (s 317(1)(d) of the Act).
- [2] Having found that one or more of the grounds in section 317 applies the Board must, under section 318 of the Actⁱ, consider the appropriate disciplinary penalty, whether the Respondent should be ordered to pay any costs and whether the decision should be published.
- [3] In its substantive decision the Board set out its indicative position as regards penalty, costs and publication and invited the Respondent to make written submissions on those matters.
- [4] On 10 May 2019 the Respondent replied to the Substantive Decision and then on 23 May 2019 he responded stating:
- Please find attached documents relating to my appeal against the board’s decision. This all started when I told [Omitted] what I thought about the leaky home industry. He has been vexatious and vindictive toward me ever since then. Hopefully the attached documents will clear things up a bit.*
- [5] The Board is not the appellate body. The District Court is. The right of appeal was set out in paragraph [43] of the Board’s decision.
- [6] The Board’s invitation to provide submissions in the Substantive Decision was stated as follows:
- [41] *The Board invites the Respondent to make written submissions on the matters of disciplinary penalty, costs and publication up until close of business on Date. The submissions should focus on mitigating matters as they relate to the penalty, costs and publication orders. If no submissions are received then this decision will become final. If submissions are received then the Board will meet and consider those submissions prior to coming to a final decision on penalty, costs and publication.*
 - [42] *In calling for submissions on penalty, costs and mitigation the Board is not inviting the Respondent to offer new evidence or to express an*

opinion on the findings set out in this decision. If the Respondent disagrees with the Board's findings of fact and and/or its decision that the Respondent has committed a disciplinary offence the Respondent can appeal the Board's decision.

- [7] The Respondent provided a large volume of evidence and submissions relating to the Substantive Decision and the board's findings with his response. No new mitigating factors were presented. No submissions on matters of penalty, costs or publication were received.
- [8] Given the above and the Respondent's stated intention to appeal the Board has decided to confirm its indicative penalty. This will mean that the Board has taken action under section 318 and the right to appeal will be available.

Section 318 Order

- [9] For the reasons set out above, the Board directs that:

Penalty: Pursuant to section 318(1)(f) of the Building Act 2004, the Respondent is ordered to pay a fine of \$2,500.

Costs: Pursuant to section 318(4) of the Act, the Respondent is ordered to pay costs of \$1,000 (GST included) towards the costs of, and incidental to, the inquiry of the Board.

Publication: The Registrar shall record the Board's action in the Register of Licensed Building Practitioners in accordance with section 301(1)(iii) of the Act.

In terms of section 318(5) of the Act, there will not be action taken to publicly notify the Board's action, except for the note in the Register and the Respondent being named in this decision.

- [10] The Respondent should note that the Board may, under section 319 of the Act, suspend or cancel a licensed building practitioner's licence if fines or costs imposed as a result of disciplinary action are not paid.

Right of Appeal

- [11] The right to appeal Board decisions is provided for in s 330(2) of the Actⁱⁱ.

Signed and dated this 10th day of June 2019
