## Introduction

- [1] This penalty decision arises out of the Board’s substantive decision in which it found that the Respondent had committed the following disciplinary offence(s):
- (a) carried out or supervised building work or building inspection work in a negligent or incompetent manner (s 317(1)(b) of the Act);
  - (b) carried out or supervised building work or building inspection work that does not comply with a building consent (s 317(1)(d) of the Act); and
  - (c) has failed, without good reason, in respect of a building consent that relates to restricted building work that he or she is to carry out (other than as an owner-builder) or supervise, or has carried out (other than as an owner-builder) or supervised, (as the case may be), to provide the persons specified in section 88(2) with a record of work, on completion of the restricted building work, in accordance with section 88(1) (s 317(1)(da)(ii) of the Act).
- [2] Having found that one or more of the grounds in section 317 applies the Board must, under section 318 of the Act<sup>1</sup>, consider the appropriate disciplinary penalty, whether the Respondent should be ordered to pay any costs and whether the decision should be published.
- [3] In its substantive decision the Board set out its indicative position as regards penalty, costs and publication and invited the Respondent to make written submissions on those matters.
- [4] On 14 August 2019, the Board received the Respondent’s submissions. It has considered them and made the following decisions.

## Penalty

- [5] The Board’s initial view was that a fine of \$2,250 was the appropriate penalty for the disciplinary offence.
- [6] The Respondent’s submissions refer to civil contractual matters between Bright Homes Limited and the Complainant. Whilst the Board acknowledges that there have been civil proceedings it must be pointed out that the jurisdictions are different. The purpose of professional discipline is to uphold the integrity of the

profession and to deter others from similar conduct. To this end it is important to impose a sanction.

- [7] The Respondent has not acknowledged any wrongdoing. Nor has he indicated any changes to processes or systems to ensure further offending will not occur. He has simply stated that he has been contractually held to account.
- [8] Given the above the Board has decided to uphold its initial view. The penalty is confirmed.

#### **Costs**

- [9] The Board's initial view was that \$1,000 in costs was appropriate. This remains an appropriate amount and is confirmed.

#### **Publication of Name**

- [10] The Board's initial view was there were no good reasons to further publish the matter. This remains the case. There will not be any additional publication.

#### **Section 318 Order**

- [11] For the reasons set out above, the Board directs that:

**Penalty:** Pursuant to section 318(1)f of the Building Act 2004, the Respondent is ordered to pay a fine of \$2,250.

**Costs:** Pursuant to section 318(4) of the Act, the Respondent is ordered to pay costs of \$1,000 (GST included) towards the costs of, and incidental to, the inquiry of the Board.

**Publication:** The Registrar shall record the Board's action in the Register of Licensed Building Practitioners in accordance with section 301(1)(iii) of the Act.

In terms of section 318(5) of the Act, there will not be action taken to publicly notify the Board's action, except for the note in the Register and the Respondent being named in this decision.

- [12] The Respondent should note that the Board may, under section 319 of the Act, suspend or cancel a licensed building practitioner's licence if fines or costs imposed as a result of disciplinary action are not paid.

#### **Right of Appeal**

- [13] The right to appeal Board decisions is provided for in s 330(2) of the Act<sup>ii</sup>.
