## Summary of the Board’s Decision

- [1] The Respondent failed to provide a record of work on completion of restricted building work. He is fined \$1,500 and ordered to pay costs of \$700. The disciplinary finding will be recorded on the public Register for a period of three years.
- [2] If the Respondent provides a record of work by the close of the submission period to both the owner and the Territorial Authority, as per the requirements of section 88(1) of the Act, the fine will be reduced to \$1,000.

### The Charges

- [3] The prescribed investigation and hearing procedure is inquisitorial, not adversarial. There is no requirement for a complainant to prove the allegations. The Board sets the charges and decides what evidence is required.<sup>1</sup>
- [4] In this matter, the disciplinary charges the Board resolved to further investigate<sup>2</sup> were that the Respondent may, in relation to building work at [OMITTED], Auckland, have failed, without good reason, in respect of a building consent that relates to restricted building work that he or she is to carry out or supervise, or has carried out or supervised, (as the case may be), to provide the persons specified in section 88(2) with a record of work, on completion of the restricted building work, in accordance with section 88(1) of the Act contrary to section 317(1)(da)(ii) of the Act.

### Draft Decision Process

- [5] The Board's jurisdiction is that of an inquiry. Complaints are not prosecuted before the Board. Rather, it is for the Board to carry out any further investigation that it considers necessary prior to it making a decision.
- [6] Ordinarily, the Board makes a decision having held a hearing.<sup>3</sup> The Board may, however, depart from its normal procedures if it considers doing so would achieve the purposes of the Act, and it is not contrary to the interests of natural justice to do so.<sup>4</sup>
- [7] In this instance, the Board has decided that a formal hearing is not necessary. The Board considers that there is sufficient evidence before it to allow it to make a decision on the papers. There may, however, be further evidence in relation to the matter that the Board was not aware of. To that end, this decision is a draft Board decision. The Respondent will be provided with an opportunity to comment on the draft findings and to present further evidence prior to the Board making a final decision. If the Respondent requests an in-person hearing, or the Board directs that one is required, this decision will be set aside, and a hearing will be scheduled.

### Evidence

- [8] The Board must be satisfied on the balance of probabilities that the disciplinary offences alleged have been committed<sup>5</sup>. Under section 322 of the Act, the Board has relaxed rules of evidence which allow it to receive evidence that may not be admissible in a court of law.

<sup>1</sup> Under section 322 of the Act, the Board has relaxed rules of evidence which allow it to receive evidence that may not be admissible in a court of law. The evidentiary standard is the balance of probabilities, *Z v Dental Complaints Assessment Committee* [2009] 1 NZLR 1.

<sup>2</sup> The resolution was made following the Board's consideration of a report prepared by the Registrar in accordance with regulation 10 of the Complaints Regulations.

<sup>4</sup> Under Clause 27 of Schedule 3 the Board may regulate its own procedure and it has summary jurisdiction, which allows for a degree of flexibility in how it deals with matters: *Castles v Standards Committee No.* [2013] NZHC 2289, *Orlov v National Standards Committee 1* [2013] NZHC 1955

### **Failure to Provide a Record of Work**

- [9] A Licensed Building Practitioner must provide a record of work for any restricted building work that they have carried out or supervised to the owner and the Territorial Authority on completion of their restricted building work.<sup>6</sup>
- [10] There is a statutory requirement under section 88(1) of the Building Act 2004 for a licensed building practitioner to provide a record of work to the owner and the territorial authority on completion of restricted building work<sup>7</sup> unless there is a good reason for it not to be provided.<sup>8</sup>

### Did the Respondent carry out or supervise restricted building work

- [11] The Respondent was engaged to carry out and/or supervise building work on 5 new residential dwellings under a single building consent. His work included foundation work, which is restricted building work because it forms part of the primary structure of a residential dwelling.<sup>9</sup>

### Was the restricted building work complete

- [12] The Respondent advised on 21 August 2025 *“it has been 2 years since the work was finished”*
- [13] The Council file showed that on 9 November 2022, the foundations were passed for pouring at a building inspection. The Respondent was listed on the inspection as the Licensed Building Practitioner. The 24 November 2022 drainage inspection record includes photographs of the completed foundations, indicating that the Respondents' restricted building work had been completed by that date. On that basis, the Board has determined that late November 2022 was the completion of the Respondent's restricted building work, and when the Respondent's record of work had to be provided to the owner and the Territorial Authority.

### Has the Respondent provided a record of work

- [14] The Respondent advised on 21 August 2025: *“I cannot remember whether I released something to RBW”* and further requested *“owner details to fill up form for RBW”*
- [15] The Council file for the property was obtained on 12 September 2025. A record of work from the Respondent was not included in the file.

### Was there a good reason

- [16] The Respondent advised: *“I have not received an email, but the owner knows my phone number.”*
- [17] The Respondent should note that the requirement is on the Licensed Building Practitioner to provide a record of work, not on the owner or Territorial Authority to

<sup>6</sup> Section 88(1) of the Act.

<sup>7</sup> Restricted Building Work is defined by the Building (Definition of Restricted Building Work) Order 2011

<sup>8</sup> Section 317(1)(da)(ii) of the Act

<sup>9</sup> Clause 5 of the Building (Definition of Restricted Building Work) Order 2011

demand one. He is required to act of his own accord and not wait for others to remind him of his obligations. As such, the lack of the owner's request is not a good reason for the Respondent failing to supply the record of work to the owner and the Territorial Authority. It was his duty to provide it, and he could have done so in a timely manner.

Did the Respondent fail to provide a record of work

- [18] The Respondent has not provided a record of work on completion or soon thereafter as per the requirements of section 88(1) of the Act

**Board's Decision**

- [19] The Respondent **has** failed to provide a record of work on completion of restricted building work.

**Penalty, Costs and Publication**

- [20] Having found that one or more of the grounds in section 317 applies, the Board must, under section 318 of the Act<sup>i</sup>, consider the appropriate disciplinary penalty, whether the Respondent should be ordered to pay any costs and whether the decision should be published.
- [21] The matter was dealt with on the papers. Included was information relevant to penalty, costs, and publication. The Board has decided to make indicative orders and give the Respondent an opportunity to provide further evidence or submissions relevant to the indicative orders.

Penalty

- [22] The Board has the discretion to impose a range of penalties.<sup>ii</sup> Exercising that discretion and determining the appropriate penalty requires that the Board balance various factors, including the seriousness of the conduct and any mitigating or aggravating factors present.<sup>10</sup> It is not a formulaic exercise, but there are established underlying principles that the Board should take into consideration. They include:<sup>11</sup>
- (a) protection of the public and consideration of the purposes of the Act;<sup>12</sup>
  - (b) deterring the Respondent and other Licensed Building Practitioners from similar offending;<sup>13</sup>
  - (c) setting and enforcing a high standard of conduct for the industry;<sup>14</sup>
  - (d) penalising wrongdoing;<sup>15</sup> and

(e) rehabilitation (where appropriate).<sup>16</sup>

- [23] Overall, the Board should assess the conduct against the range of penalty options available in section 318 of the Act, reserving the maximum penalty for the worst cases<sup>17</sup> and applying the least restrictive penalty available for the particular offending.<sup>18</sup> In all, the Board should be looking to impose a fair, reasonable, and proportionate penalty<sup>19</sup> that is consistent with other penalties imposed by the Board for comparable offending.<sup>20</sup>
- [24] In general, when determining the appropriate penalty, the Board adopts a starting point based on the principles outlined above prior to considering any aggravating and/or mitigating factors present.<sup>21</sup>
- [25] Record of work matters are at the lower end of the disciplinary scale. The Board's normal starting point for a failure to provide a record of work is a fine of \$1,500, an amount which it considers will deter others from such behaviour. There are no aggravating or mitigating factors present. As such, the Board sees no reason to depart from the starting point.
- [26] The Board will provide the Respondent with an opportunity to provide a record of work before it makes a final decision on the appropriate penalty. If one is provided to both the owner and the Territorial Authority as per the requirements of section 88(1) of the Act, it will be taken into consideration as a mitigating factor, and the penalty will be reduced by \$500 to a fine of \$1,000.

### Costs

- [27] Under section 318(4) of the Act, the Board may require the Respondent to pay the costs and expenses of, and incidental to, the inquiry by the Board. The rationale is that other Licensed Building Practitioners should not be left to carry the financial burden of an investigation and hearing.<sup>22</sup>
- [28] The courts have indicated that 50% of the total reasonable costs should be taken as a starting point in disciplinary proceedings<sup>23</sup>. The starting point can then be adjusted up or down, depending on the particular circumstances of each case<sup>24</sup>.

- [29] The Board has adopted an approach to costs that uses a scale based on 50% of the average costs of different categories of hearings: simple, moderate and complex. The current matter was simple. Adjustments are then made.
- [30] Based on the above, the Board's costs order is that the Respondent is to pay the sum of \$700 toward the costs of and incidental to the Board's inquiry. This is the Board's scale amount for a simple matter that has been dealt with by way of a Draft Decision. It is significantly less than 50% of actual costs.

#### Publication

- [31] As a consequence of its decision, the Respondent's name and the disciplinary outcomes will be recorded in the public Register maintained as part of the Licensed Building Practitioners' scheme as is required by the Act,<sup>25</sup> and he will be named in this decision, which will be available on the Board's website. The Board is also able, under section 318(5) of the Act, to order further publication.
- [32] Within New Zealand, there is a principle of open justice and open reporting, which is enshrined in the Bill of Rights Act 1990.<sup>26</sup> Further, as a general principle, publication may be required where the Board perceives a need for the public and/or the profession to know of the findings of a disciplinary hearing, and the courts have stated that an adverse finding in a disciplinary case usually requires that the name of the practitioner be published.<sup>27</sup>
- [33] Based on the above, the Board will not order any publication over and above the record on the Register, the Respondent being named in this decision, and the publication of the decision on the Board's website. The Respondent should note, however, that as the Board has not made any form of suppression order, other entities, such as the media or the Ministry of Business Innovation and Employment, may publish under the principles of open justice reporting.

#### **Section 318 Order**

- [34] For the reasons set out above, the Board directs that:

<b>Penalty:</b>	<b>Pursuant to section 318(1)(f) of the Building Act 2004, the Respondent is ordered to pay a fine of \$1,500.</b>
<b>Costs:</b>	<b>Pursuant to section 318(4) of the Act, the Respondent is ordered to pay costs of \$700 (GST included) towards the costs of, and incidental to, the inquiry of the Board.</b>
<b>Publication:</b>	<b>The Registrar shall record the Board's action in the Register of Licensed Building Practitioners in accordance with section 301(l)(iii) of the Act.</b>

- [37] Submissions and/or further evidence must be filed with the Board by no later than the close of business on **Tuesday, 2 December 2025**.
