Summary of the Board’s Penalty Decision

- [1] The Respondent carried out building work in a negligent and incompetent manner. He also carried out building work contrary to a building consent and failed to provide a record of work on completion of restricted building work. The Respondent’s licence is cancelled for a period of 9 months. He is ordered to pay costs of \$3,500.

The Charges

- [2] This penalty decision arises out of the Board’s substantive decision in which it found that the Respondent had committed the following disciplinary offence(s):
- (a) carried out or supervised building work or building inspection work in a negligent manner (s 317(1)(b) of the Act);
 - (b) carried out or supervised building work or building inspection work that does not comply with a building consent (s 317(1)(d) of the Act); and
 - (c) has failed, without good reason, in respect of a building consent that relates to restricted building work that he or she is to carry out (other than as an owner-builder) or supervise, or has carried out (other than as an owner-builder) or supervised, (as the case may be), to provide the persons specified in section 88(2) with a record of work, on completion of the restricted building work, in accordance with section 88(1) (s 317(1)(da)(ii) of the Act).
- [3] Having found that one or more of the grounds in section 317 applies the Board must, under section 318 of the Actⁱ, consider the appropriate disciplinary penalty, whether the Respondent should be ordered to pay any costs and whether the decision should be published.
- [4] In its substantive decision, the Board set out its indicative position as regards penalty, costs and publication and invited the Respondent to make written submissions on those matters.
- [5] On 28 January 2021, the Board received the Respondent’s submissions. It has considered them and made the following decisions.

Penalty

- [6] The Board's initial view was that the Respondent's licence should be cancelled for a period of nine months.
- [7] The Respondent's submission did not deal with or address matters of penalty or mitigation. The Respondent expressed his disagreement with the Board's decision and the action taken by the Board.
- [8] As the Respondent has not raised any new mitigation or made any submissions as regards the penalty the Board has decided to uphold its initial view.

Costs

- [9] The Board's initial view was that \$3,500 in costs was appropriate. The Respondent did not address the question of costs. The amount is confirmed.

Publication of Name

- [10] The Board's initial view was there were no good reasons to further publish the matter. This remains the case.

Section 318 Order

- [11] For the reasons set out above, the Board directs that:

Penalty: Pursuant to section 318(1)(a) of the Building Act 2004, that the Respondent's licence be cancelled for 9 months.

Costs: Pursuant to section 318(4) of the Act, the Respondent is ordered to pay costs of \$3,500 (GST included) towards the costs of, and incidental to, the inquiry of the Board.

Publication: The Registrar shall record the Board's action in the Register of Licensed Building Practitioners in accordance with section 301(l)(iii) of the Act.

In terms of section 318(5) of the Act, there will not be action taken to publicly notify the Board's action, except for the note in the Register and the Respondent being named in this decision.

- [12] The Respondent should note that the Board may, under section 319 of the Act, suspend or cancel a licensed building practitioner's licence if fines or costs imposed as a result of disciplinary action are not paid.

Right of Appeal

[13] The right to appeal Board decisions is provided for in s 330(2) of the Actⁱⁱ.

Signed and dated this 17th day of February 2021
