Summary of the Board’s Penalty Decision

- [1] The Respondent has carried out building work in a negligent manner and in a manner that was contrary to a building consent. He is fined \$2,250 and ordered to pay costs of \$3,000.

The Charges

- [2] This penalty decision arises out of the Board’s substantive decision in which it found that the Respondent had committed the following disciplinary offence(s):
- (a) carried out or supervised building work or building inspection work in a negligent or incompetent manner (s 317(1)(b) of the Act); and
 - (b) carried out or supervised building work or building inspection work that does not comply with a building consent (s 317(1)(d) of the Act).
- [3] Having found that one or more of the grounds in section 317 applies, the Board must, under section 318 of the Actⁱ, consider the appropriate disciplinary penalty, whether the Respondent should be ordered to pay any costs and whether the decision should be published.
- [4] In its substantive decision, the Board set out its indicative position as regards penalty, costs and publication and invited the Respondent to make written submissions on those matters.
- [5] On 12 October 2021, the Board received the Respondent’s submissions. It has considered them and made the following decisions.

Penalty

- [6] The Board’s initial view was that a fine of \$2,750 was the appropriate penalty for the disciplinary offence.
- [7] The Respondent raised the difficult nature of the relationship with the Complainant during the build and that not all allegations were upheld as mitigating factors. The Respondent also noted the financial and personal strain the commercial dispute has put him under as well as his present circumstances which have been impacted by Covid. He asked for a reduction in the fine and costs.
- [8] Having considered the submissions received, the Board has decided to reduce the fine to \$2,250 in recognition of the additional mitigating factors.

Costs

[9] The Board's initial view was that \$3,500 in costs was appropriate. The Board has decided to reduce the costs on the basis of the Respondent's financial circumstances. They will be reduced to \$3,000.

Publication of Name

[10] The Board's initial view was there were no good reasons to further publish the matter. This remains the case.

Section 318 Order

[11] For the reasons set out above, the Board directs that:

Penalty: Pursuant to section 318(1)(f) of the Building Act 2004, the Respondent is ordered to pay a fine of \$2,250.

Costs: Pursuant to section 318(4) of the Act, the Respondent is ordered to pay costs of \$3,000 (GST included) towards the costs of, and incidental to, the inquiry of the Board.

Publication: The Registrar shall record the Board's action in the Register of Licensed Building Practitioners in accordance with section 301(I)(iii) of the Act.

In terms of section 318(5) of the Act, there will not be action taken to publicly notify the Board's action, except for the note in the Register and the Respondent being named in this decision.

[12] The Respondent should note that the Board may, under section 319 of the Act, suspend or cancel a licensed building practitioner's licence if fines or costs imposed as a result of disciplinary action are not paid.

[13] The Respondent should also note that he can apply to the Registrar for time to pay the fine and costs off.

Right of Appeal

[14] The right to appeal Board decisions is provided for in s 330(2) of the Actⁱⁱ.

Signed and dated this 29th day of November 2021.
