Introduction

- [1] This penalty decision arises out of the Board's substantive decision in which it found that the Respondent had carried out or supervised building work or building inspection work in a negligent or incompetent manner (s 317(1)(b) of the Act).
- [2] Having found that one or more of the grounds in section 317 applies the Board must, under section 318 of the Actⁱ, consider the appropriate disciplinary penalty, whether the Respondent should be ordered to pay any costs and whether the decision should be published.
- [3] In its substantive decision the Board set out its indicative position as regards penalty, costs and publication and invited the Respondent to make written submissions on those matters.
- [4] On 2 May 2019, the Board received the Respondent's submissions. It has considered them and made the following decisions.

Penalty

- [5] The Board's initial view was that the Respondent should be fined the sum of \$2,000, as the appropriate penalty for the disciplinary offence.
- [6] The Respondent's submissions were made by way of his legal counsel. It was submitted that the Board had contradicted itself in finding that it had found in paragraph [27] of the Substantive Decision where it found that the Respondent had not supervised the restricted building work and paragraphs [30] and [38] where it found that he had provided coordination and oversight as a Site Licence holder and had been negligent as a Site Licence holder.
- [7] Supervision is not the same as coordination and oversight. Supervision is a defined term in the Act. Coordination and oversight, as a Site Licence holder, are described in Schedule 1 of the Licensed Building Practitioners Rules 2007. The Board deliberately drew the distinction. There was no contradiction.
- [8] Counsel has submitted that, as a result of the contradiction, no penalty or costs should be imposed. The submission was not founded. No other penalty submissions were made.
- [9] Having considered the submissions received the Board has decided to uphold its initial view. The reasons for the are as outlined in the Substantive Decision.

Costs

- [10] The Board's initial view was that \$2,000 in costs was appropriate. The submissions as regards costs have been noted above. The Board sees no grounds to reduce the costs order. It is confirmed.

Publication of Name

- [11] The Board's initial view was there were no good reasons to further publish the matter. This remains the case.

Section 318 Order

- [12] For the reasons set out above, the Board directs that:

Penalty: Pursuant to section 318(1)(f) of the Building Act 2004, the Respondent is ordered to pay a fine of \$2,000.

Costs: Pursuant to section 318(4) of the Act, the Respondent is ordered to pay costs of \$2,000 (GST included) towards the costs of, and incidental to, the inquiry of the Board.

Publication: The Registrar shall record the Board's action in the Register of Licensed Building Practitioners in accordance with section 301(1)(iii) of the Act.

In terms of section 318(5) of the Act, there will not be action taken to publicly notify the Board's action, except for the note in the Register and the Respondent being named in this decision.

- [13] The Respondent should note that the Board may, under section 319 of the Act, suspend or cancel a licensed building practitioner's licence if fines or costs imposed as a result of disciplinary action are not paid.

Right of Appeal

- [14] The right to appeal Board decisions is provided for in s 330(2) of the Actⁱⁱ.
